# What is #hashtag?

- Any word or phrase with # preceding can be a hashtag; i.e. #LACSusersSIGs
  - Hashtags are used on social media; widely used on Twitter, and to lesser amount on Facebook, YouTube
    - Hashtags are not cAse sensitive. Hashtags have no spaces between words

# What is #hashtag?

- You'll sometimes see a hashtag at the bottom of the screen of a TV program, inviting viewers to comment on the show via Twitter.
  - Using the hashtag allows people to search out other posts on that same topic by searching the hashtag.
  - In the search bar at the top of any page, enter the hashtag.
    - During the 2013 Philippine Typhoon "Haiyan," Twitter users could find posts on the Typhoon by searching for #Haiyan
    - On Twitter your search results will give you three options for filtering the list.
      - Top- The default is Top. Twitter determines the top Tweets
      - All Tweets
      - All Tweets from only those people you follow.
