

# **iPads and iPhones etc.**

**Useful tools and how to use them.**

## ***Los Angeles Computer Society***

**General Meeting Tuesday Feb. 14 7 PM**

**Fellowship Hall, 8065 Emerson Ave. L.A. 90045**

Instead of someone trying to sell something, we're fortunate to have an experienced user who uses these in his every day work. Mr. Thang Le Esq. is an attorney dealing with many communications challenges, paperwork management, scheduling, faxing and phoning and other details. He also has a history of sharing his knowledge of these devices, usually with other attorneys, helping them improve their communication and productivity. Our group is a bit larger and he'll help us to also benefit from his knowledge and experience. If you have an iPad or iPhone, bring it along. You'll probably learn more about using them.

**Computer Forum will start at 6 PM.**

---

## ***Los Angeles Computer Society***

**YOU are invited: Fellowship Hall**

**8065 Emerson Avenue, corner of 80th Place,**

**Los Angeles CA 90045**
