Windows 10

- Was there a Windows 9 someplace?
 - No, Windows 9 never was, never will
- When will Windows 10 officially debut?
 - Late 2015...
- How much will it Cost?
 - If you have Windows 7 or 8.1, the upgrade to Windows 10 will be free for 1 year.

Windows 10

■ Major Features

- Cortana
 - Microsoft's "personal assistant" version of Apple Siri and Google Now
 - Originally debuted on Windows phone, and now part of your desktop
 - Helps you find things quickly on your PC such as files and programs
 - Voice control your PC
 - Anticipates and suggests what you want... before you ask for it. Like providing unexpected pop-ups.
- Spartan
 - A new web browser integrated into Windows 10 and Cortana. Internet Explorer still available, but for legacy purposes only.
